Lahore International BOOK FAIR 2026

Saleem A. Malik

Message From The Chairman of LIBF Trust

We are pleased to be back with LIBF 2026 marking the 39th edition of this mega event. The number of exhibitors and the visiting participants continue to grow year on year, which affirms a reinvigoration of the literary habits in the nation and is a demonstration of the energetic endeavors of the PPBA and the administration of the LIBF.

The motive behind organizing LIBF is twofold, 1) encourage the native book loving fan base through lucrative discounts on this mela 2) a talent show for the local industry and showcase its profundity, differing qualities and its diverse aspects.

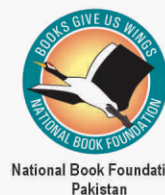

We are pleased to note that not only our local publications have continued to battle factors such as high cost of production and inflation but also importers have continued to market with just and equitable charges to keep on encouraging book lovers with prices marked down up to 50%. This not only serves as an excellent marketing venture for the publishers but also a public service in order to subsidize the reader allowing all segments of the society's strata to participate with full zeal and fervor.

The administration of Expo Center has collaborated and helped us with organizing this occasion and I am extremely appreciative for their collaboration. We hope to sustain our heartfelt association with the administration of the Expo Center, Lahore in years to come.

I trust the achievement of the Lahore International Book Fair 2026 will surpass that of the earlier years.

Message From Executive Director LIBF Trust Enjoy and come again!

I am immensely proud of the incredible progress made by the Lahore International Book Fair (LIBF) since its inception. Every year, the book fair brings into prominence the otherwise understated passion the people of Lahore have for books and highlights the exponential growth in the culture of reading. The LIBF has also drawn a considerable amount of attention from both the print and electronic media. The dedication and determination of the management of the LIBF has made it possible for the LIBF to host some of the most prominent publishers from all over the globe, who will be offering amazing discounts on a wide range of titles.

The venue this year, like the previous years, is the Expo Centre in Lahore. A number of events have been organized around the fair and excellent arrangements have been made for the convenience of both the participants and the general public.

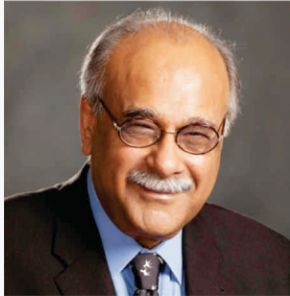

I would like to thank all those who have supported us in our endeavor of promoting the culture of learning and reading. In particular, I wish to thank the management of the Expo Centre, all of our sponsors and finally, the management of the LIBF.

Lahore International BOOK FAIR 2026

Kashif Mir Zubair

Message From The Vice Chairman of LIBF Trust

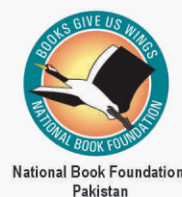

The Thirty-Ninth edition of the Lahore International Book Fair (“LIBF”) has been organized with the renewed zeal to encourage the culture of reading in Pakistan. Various prominent local and international publishers will be amongst those exhibiting this year, and every effort has been made to include booksellers offering a range of diverse titles on a range of subjects. For this reason, a substantial increase in the number of participants will be noticed this year.

The Book Fair is attended every year by people from all walks of life. In particular, students, parents and young adults have always shown a keen interest in the book fair and keeping this in mind, various events have been organized during the days of the Book Fair. It is my belief that the burgeoning educated and literary diaspora of the country shares my resolve to promote the culture of reading in Pakistan and hopefully the LIBF 2026 will exceed expectations of both the participants and the general public. The growth of the publishing industry in Pakistan has been significant in recent years. It is particularly heartening to see the enthusiasm of the local publishers in their continuous active participation at the Book Fair for the past many years. It is my hope that the book fair will provide the local publishers an opportunity to find areas of mutual business interest with their foreign counterparts.

The LIBF is being held in the state-of-the-art Lahore Expo Centre and I would like to pay my special tribute to the management of the Lahore Expo Centre as well as to the managing and organization committees of the LIBF. I am indebted to all those who have helped us in organizing this event and have contributed towards promoting the noble objectives of the Lahore International Book Fair.

Muhammad Faisal

Message From Secretary-General LIBF Trust

By the grace of Almighty Allah, the thirty-eight Lahore International Book Fair 2026 is being organized with the same zeal and fervor that has made this event an indispensable part of the Lahore's literary calendar. Looking back, the LIBF has come a long way and I am confident that it is has achieved the level of international and local recognition it deserves.

This year we have attracted a number of new participants. It is my hope that in subsequent years, we will see an even greater number of national and international publishers exhibiting at the LIBF. I am confident that the local publishers will maximize the opportunity provided by the LIBF by exploring business prospects with foreign publishers.

I would like to express my sincere gratitude to all those who helped us organize this mega event.

Lahore International BOOK FAIR 2026

Mian Babur Hamid

Message From Director Finance LIBF Trust Editor of the Directory

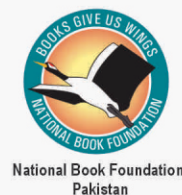

Once again, we have gathered at the Lahore International Book Fair with the hope that this event contributes to the future of education, literature, knowledge, and culture in Pakistan. The Thirty-Ninth LIBF 2026 promises to be a treat for book connoisseurs of Lahore. I encourage parents, students, and young adults to make good use of this opportunity.

This event would not be possible without the tireless efforts of the Management and Organizing Committees of the LIBF and without the continuous support and participation of the members of the book and publishing trade of Pakistan. The LIBF is part of the legacy left behind by our founding Chairman, the Late Mr. M. Zubair Saeed, who left us on the 28th of January 2022, and whose loss we still mourn. It is my hope that his memory will live on in the success of the LIBF in years to come.

This directory has been compiled in very short time, and any error/omission is sincerely regretted.
